Sir :

In response to the Notice of Allowability and Supplemental Notice of Allowability, mailed by the U.S. Patent and Trademark Office on January 13, 2010 and February 18, 2010, respectively, and to the Statements of Reasons for Allowance attached thereto, Applicant wishes to clarify the record with respect to the basis for the patentability of claims in the present application. In this regard, while Applicant does not disagree with the Examiner's indications of allowability, Applicant submits that each of the claims in the present application recites a combination of features, and that the basis for patentability of each of these claims is based on the combination of features recited therein.

Should there be any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully Submitted,
Tatsuo TSUTSUI
